Subee was founded in 1992 in Coffs Harbour. Since then, we have grown from a one-(wo)man-show to an organisation employing over 140 locals on the Mid-North Coast and in Newcastle, the Hunter and Lake Macquarie area.

We began life as Bananacoast Home Nursing and Respice Care in one room of a cottage on Albany Street, Coffs Harbour. These days, we are just called:

- Subee (on the Coffs Coast)
- and Newlake (in the Newcastle areas.)

We are a locally-owned and staffed business, with offices in Maitland and Coffs Harbour since 1992. We pay above award conditions and we employ on Permanent-Part Time basis. So, when you join our team, you will enjoy job security and have access to Annual Leave, Sick Leave and Superannuation.

Subee Newlake offers career path and professional development opportunities in all areas of our business. There are study options available, subsidised courses and on-going training provided to all staff.

We are an Equal Employment Opportunity (EEO) employer and we embrace the diversity of our people, such as diversity in disability, race, cultural background, ethnicity, age, gender identity, sexual orientation or intersex status.

We are always looking for more great people to look after our local clients. Is that you?

Do you have a Cert III, First Aid, WWCC, police check, vehicle and driver's license?

If you do, you might be exactly who we are looking for.
